

Did You Ever Have a Family

by Bill Clegg

On the eve of her daughter's wedding, June Reid's life is completely devastated when a shocking disaster takes the lives of her entire family, all gone in a moment. And June is the only survivor.

Alone and directionless, June drives across the country, away from her small Connecticut town. In her wake, a community emerges, weaving a beautiful and surprising web of connections through shared heartbreak.

From the couple running a motel on the Pacific Ocean where June eventually settles into a quiet half-life, to the wedding's caterer whose bill has been forgotten, to Luke's mother, the shattered outcast of the town—everyone touched by the tragedy is changed as truths about their own histories come to light.
