

Practice ACT for students in grades 9-12

Nick LaPoma of Curvebreakers Test Prep is providing a free practice test of the ACT. This will be a full and properly timed exam. The tests will be graded and an analysis of performance will be included for free. **Please bring your own pencils and calculator.**

At the comeback session on Wednesday, September 28, 2016 (7:00-8:00pm), Nick will distribute results to students and parents, explain what the results mean, and also field a Q & A session. Be sure to attend the follow up session!

Online registration begins August 30, 2016 at 9:00AM on our Events Page
