

How do I return my eBooks early?

1. You must login to your Amazon account, and click on the link that says "Your Digital Items."

(It is generally found above the "Cart" button)

1105

2. Under the "Kindle" heading, click on "Manage Your Kindle." Each eBook downloaded from the Manhasset Public Library's Nassau Digital Doorway website will be noted as **public library.**

3. You will be brought to the screen below and want to click on "Actions."

4. A list of options appears. Choose "Return this Book."

5. Once you click "Yes" the title will be returned to Nassau Digital Doorway and you will no longer be able to access this eBook. A confirmation is sent to your email.

6. The title has now been taken off your Nassau Digital Doorway account, however, the title will continue to appear in "Your Kindle Library," until you choose "Delete from library." Once you complete this step, the eBook will be taken off your account permanently.
