

PATHWAYS

BUILD YOUR FUTURE STARTING THIS SUMMER!

Pathways is a free and flexible virtual program where you explore some of the most exciting areas in tech, learn to build tech for good, and bring your passions to life through impactful projects. As you grow your skills, you'll also join a global community of students who share your passions through workshops with corporate partners and fun Advisor-led events.

Who can join?

High school girls and non-binary students, including rising 9th graders, graduating seniors, and returning participants.

What will you learn?

Choose from tracks in AI + Society, Data Science + AI, Cybersecurity, Game Design, or Web Development.

When does the program take place?

The program runs from June 29 to August 14. Each course in a track takes 3-6 hours to complete.

KEY 2026 DATES

Application Opens: January 8

Early Decision Deadline: February 25

Application Closes: April 10
