Nassau Civil Service Residency Requirement: MLD (Member Library Directors) & NLS (Nassau Library System) have met with the NYS Civil Service Commissioner and are working together to address negotiating the removal of the Nassau County Residency requirement for library positions. Nassau Libraries could benefit from expanded canvassing and hiring from a larger talent pool. Adopting a non-residency clause for hiring would not exclude Manhasset from continuing to opt for 'local preference' which places community residents on the top of the eligible list and the first opportunity to interview for an open position.

If in agreement with eliminating the Nassau County Residency requirement, the Board is asked to record their support in the Minutes and thereby notify MLD/NLS of our position.

Motion, made by Judith Esterquest, and seconded by Diane Klein to adopt a non-residency clause for Civil Service hiring.

Yes – Jettmar, Esterquest, O'Brien, Klein

No – none

The Director will notify MLD & NLS of the Board's decision.

Facility – Flood follow up: On Friday, January 10th at approximately 11:00 am fire alarms sounded alerting library occupants to an emergency situation. A sprinkler head had broken in the SW stairwell connected to the roof. Additional calls for emergency service were made. Patrons, assisted by Staff, evacuated the building. The Library closed Friday by noon and remained closed Saturday, January 11th for flood damage cleaning. Trustees and Patrons were alerted to the emergency closure.

The flood conditions included standing oil infused water in the stairwell and on the 3rd floor and in the basement, soaked rugs and stained flooring. Maccarone Plumbing fixed the broken sprinkler head, tested, and reset the fire suppression system. The fire department and the Fire Marshalls were on site to inspect. The ServePro cleaning crew were brought in to dry and clean the damaged areas. The Building Maintainer, Garry Serraino, oversaw the remediation process and directed the ServePro crew throughout the weekend. The swift and efficient flood response allowed us to open the Library on Sunday, January 12th. Garry has redoubled cleaning efforts on select carpets that showed some sign of water damage. Otherwise, we are back to normal facility operations.

We were very fortunate that this incident occurred during operating hours with our experienced, dedicated Facility and Administrative Staff present. Continued water flow from the sprinkler head could have had disastrous consequences.

Executive Session: Entered at 9:05 pm, Exited at 9:15 pm

Action: As per request by the Director, the Trustees approved the addition of a full-time programming person to be hired in compliance with Civil Service regulations and from the Civil Service eligible list for LSK – Program Specialist.

Motion, made by Judith Esterquest, seconded by Charles Jettmar to canvass for the position of LSK - Cultural Program Specialist.

Yes – Jettmar, Esterquest, O'Brien, Klein

The date for the next Board Meeting is Wednesday, February 26, 2025 at 5:30 pm.

Motion to end the meeting made by Charles Jettmar and seconded by Judith Esterquest at 9:15 pm.

Respectfully submitted,

Stephanie Catlett

Secretary to the Board
